Right Choice

High Quality:
Only use qualified high quality material,5years warranty for panels.

Competitive Price:
Due to quantity mass production, unit price is very competitive, moreover , no any other maintenance cost caused by wrong choice (bad quality, no reliability, failure, etc.)

Reliable:
Already approved by so many customers and projects, you take no risk.

Free Service:
Dialux design, Lux calculation, Luminaire layout, Lamp qty calculation...etc.

Technical Support:
Project consultant, Photometric data, New/special model development.

OEM/ODM Capability:
Doing OEM/ODM for lots of world famous lighting brands.

智能调光调色平板灯

SMART CTA LED PANEL LIGHT

Color temperature adjustable: 3000K to 6000K

An innovative product for Office Lighting, which adopts intelligent control system
to dim the Brightness and adjust Color Temperature of LED panels via Blue-tooth.

Color temperature can be adjusted from 3000K to 6000K by remote controller as well as Smart Phone APP.
In the meanwhile, the GROUP function ensures you to add different lights to different groups and control
them separately and synchronously.

NEW PRODUCT

Dimming with remote control or phone app,
Bluetooth: up to 50 meters away, multiple luminaires,
multiple groups
遥控器或手机App控制调光，
使用蓝牙技术：控制距离大于50米，多种灯具分组控制。
