

Art No. QP0015

USB2.0 SATA HDD Docking Station

A safe and easy way to use your 2.5" or 3.5" SATA hard disk externally without a hard disk enclosure. You can easily insert and remove the hard disk from the docking station. The QP0015 doesn't require any software installation and really works Plug and Play. The included USB 2.0 cable connects the docking station to your PC, notebook or netbook and the LED indicator clearly indicates its status.

Specification:

- Directly insert HDD into docking station for convenient to install & remove hard disk
